## **TERMS AND CONDITIONS OF HIRE**

---

These are the Terms and Conditions of Hire of Bouncy Castle Hire Stafford. Please read these carefully and sign at the bottom to signify that you acknowledge and accept these Terms and Conditions. The company accept no responsibility for damage or injury whilst our equipment is under hire to you. Please ensure the delivery driver has free and easy access to erect the castle onto a clean flat area. Please be advised that if we arrive and there is insufficient space or the area is unsuitable (e.g.sloping or is unclean) full payment still has to be made. Bouncy Castle Hire Stafford reserve the right to cancel any booking at any time, i.e. in really bad weather if outdoor hire (if more than light shower we may cancel for safety reasons.)

1. Bouncy Castles are strictly for children under 11yrs old. Any child taller than the inside wall is not permitted to use it. Under NO CIRCUMSTANCES should ADULTS ENTER ONTO THE castle as this may result in damage to the castle.
2. Any damage will have to be paid for by the hirer named in our agreement.
3. Unless paid for in full before the day, the driver is to be paid upon delivery of the Bouncy Castle. Deposits are non-refundable, unless cancelled more than 21 days from date of hire.
4. You ("the Hirer") are responsible for injury or damage occurring whilst the equipment is on hire and you are strongly advised to take out Public Liability Insurance covering the use of the Bouncy Castle whilst it is on hire to you.
5. You must ensure that there is adequate adult supervision at all times when the castle is in use. The castle should not be left unattended, and if hired overnight, the unit along with all accessories are to be stored indoors.
6. No signs are to be taped, glued or hung on the Bouncy Castle at all.
7. Do not allow users to be on the Bouncy Castle during inflation or deflation.
8. Ensure that the Bouncy Castle is not overcrowded, and limit the numbers depending on age and size of children using it. If the children are colliding into each other then it is too crowded.
9. Children must remove their shoes before using the Bouncy Castle and children must be prevented from climbing up the walls of the Castle.
10. Food, drink, glasses, belts and pets are forbidden on all units.
11. No smoking near the Bouncy Castle.
12. If the Bouncy Castle is not been used for any periods, please switch off the blower at the mains.

When outside and not in use for more than an hour, or in heavy rain, the castle is to be covered with the additional cover supplied by ourselves.

13. In the event of heavy rain, it is strongly recommended that the inflatable be switched off. Any wetness, including bubbling can be dried with a towel. A small picnic table placed over the blower, will help prevent rain-water being sucked into the blower, and then into the inflatable.
14. Ensure that the vent on the side of the blower is kept clear at all times.

15. The Hirer is responsible for safe keeping of the Bouncy Castle and you will be charged for any damage caused to it or for any items missing from it on its return.
16. Equipment returned in a dirty condition will be subject to a cleaning charge.
17. All units are checked on delivery and your signing below indicates acceptance of the Castle as being in good, clean condition.
18. Only our delivery driver is authorised to collect the Bouncy Castle and under no circumstances should any of the equipment be handed over to anyone other than our delivery driver.
19. Extreme caution is to be taken with extension cables (which are to be taped down and untaped at the end of the hire by the hirer) and the electric blower. THE BLOWER IS NOT TO BE COVERED WITH ANYTHING.

Please sign here to confirm that you have read and accepted the above conditions. I hereby confirm that I have read and understood the above terms and conditions and agree to hire equipment from Bouncy Castle Hire Stafford subject to those terms and conditions.
